

For your continued peace of mind, your no-hassle extended warranty provides support if your hearing device(s) fails outside of the original manufacturer's warranty. The extended warranty covers out of office service repairs through the original manufacturer.

Coverage

- A defect in materials and/or workmanship
- Loss
- Damage
- Normal wear and tear
- Power fluctuations/surges
- Shipping and handling (INCLUDED!)

Exclusions

- Charger
- Custom ear molds
- Routine hearing clean and checks
- Reprogramming of hearing device(s)
- Hearing evaluations
- Department of Transportation (DOT) hearing screenings
- Processing fee if hearing device is lost/damaged beyond repair
- Accessories

General exclusions include: altered or missing serial numbers; rust damage caused by nonauthorized repair personnel; lost consumable parts such as, but not limited to, accessories, attachments, or any other parts or materials that are designed to be consumed during the life of the hearing device(s); cosmetic damage; problems due to improper and/or nonfactory- authorized installation or repairs; consequential or incidental damages including, but not limited to, loss of use, loss of business, loss of profits, downtime, and charges for time and effort; costs related to any service request which results in customer education or no problem found; preexisting conditions; repair or replacement covered by any other warranty, service agreement, or insurance policy in effect at the time of the failure; damages to the product while in the course of transit, delivery, or redelivery; "Acts of God"; malfunctions caused by changes to the ear, or changes in the ear canal that may result in, but are not limited to, remaking or recasing due to a poor or improper fit; failures or parts and/or labor cost incurred as a result of a manufacturer's recall; personal or bodily injury or sickness due to the use of the hearing device(s); any medical charges including, but not limited to, those incurred in connection with the implanting or explanting of hearing device(s).

Manufacturer's Responsibilities

Parts and services covered during the manufacturer's warranty period are the responsibility of the manufacturer.

This plan is not transferable.
